"I knew my hair might fall out during chemo, but when I lost my eyebrows and eyelashes too, my confidence was shattered."

Kate came to one of the free Look Good...Feel Better workshops run in over 50 hospitals across the UK. We showed her skincare and make-up skills that helped her look and feel like herself again.

If you know someone who could use our support, please get in touch. We operate all over the UK and in 19 countries worldwide.
