

Look Good Feel Better (LGFB) Confidence Club Volunteer

Join the Confidence Club and volunteer your time to help Look Good Feel Better support more people living with cancer. From representing the charity at exciting shows and events to cheering on our supporters at outdoor challenges, driving local community support through health and wellbeing initiatives to running a bucket collection in your local shopping centre - we have an array of exciting and impactful volunteering opportunities across the country.

Maybe you want to try your hand at something new, have personally benefitted from the charity's support and would like to give back, or simply want that warm fuzzy feeling knowing you're doing something good. For whatever reason you choose to volunteer, know that through your support you are enabling Look Good Feel Better to reach thousands more people in need of our confidence boosting services.

With a small head office team based in Epsom (Surrey) and only 4 Regional Managers out in the field, our Confidence Club volunteers play an integral role in connecting local communities to the local Look Good Feel Better service and ultimately ensuring many more people living with cancer can benefit from the support we provide.

The Role:

Confidence Club Volunteers are an extension of our small head office and regional teams and do not need any beauty training experience to volunteer. You will be the eyes and the ears for the charity within your local community, identifying opportunities to raise vital funds and awareness for your local Look Good Feel Better service and for the charity as a whole.

You will be a proactive and passionate supporter of the charity's work and will ideally be able to donate your time to us 2-3 times per year to help support our activities in your local area.

As well as attending and representing Look Good Feel Better at key events, we also ask that where possible you help promote the charity and local services, whether this be distributing information on the charity within your local area, encouraging local business & community support or promoting key events and campaigns to your networks.

Look Good Feel Better is still a relatively unknown charity but we know that there are thousands of people newly diagnosed with cancer every year who could significantly benefit from our emotional practical support. Whether you tell a friend about your local LGFB workshop, get your regional newspaper along to report on a fundraising event or help put us forward to be a local company's charity of the year, your support and help in spreading the word will have a huge impact on the charity and our ability to meet the demand for our services.

How you can support us as a Confidence Club volunteer

- Attend exciting events to represent and speak about the charity e.g. health & wellbeing events, trade shows, corporate and retail partner events, local community occasions
- To support our fundraising campaigns; holding a fundraising event or encouraging a business, community group, family member or friend to take part
- Distribute LGFB materials and leaflets in your local area i.e. hospitals, doctors surgeries, shopping centres, local salons etc
- Cheer on teams of supporters who may be taking part in local challenge events
- Encourage local businesses and community groups to support the charity, whether this be displaying a collection tin or holding their own fundraising activities
- Organise your own fundraising events with friends, family or colleagues
- Run a bucket collection at your local train station or shopping centre
- Notify us of fundraising opportunities within your area, this might be a community driven scheme or event which we could be involved with
- Hand in a community matters form at your local Waitrose and John Lewis store
- Help to raise awareness of services in your local area through personal networks e.g. social media, personal contacts, business links

How we will support our Confidence Club volunteers

- All new volunteers will be provided with a thorough introductory and training pack so you can carry out your role confidently
- LGFB volunteer coordinators will be in touch with you as and when opportunities arise
- Should you identify an opportunity for the charity, our team will be sure to follow this up and do everything we can to support you in taking this opportunity forward
- Our team will connect you with necessary local contacts so as to facilitate your activities
- We will provide you with all the materials you may need for your activities
- Our team will organise for you to attend and observe your local LGFB workshop at a convenient time for you so you can see first-hand how the charity operates and so you have a greater understanding of the impact your support has on the lives of our beneficiaries
- You will receive a monthly newsletter updating you on upcoming volunteering opportunities as well as examples of what other volunteers have been up to and any special offers we have for our volunteers
- We will celebrate a monthly 'star volunteer' and sharing this within our email and social communications
- All Confidence Club volunteers will be entitled to a free place in a challenge event of their choosing
